This application is in condition for allowance except for the following formal matters:

In claim 1 line 18 "vertical" should apparently be –horizontal–. Also the claim recites in several places "vertical charge transferring portions" and "vertical charge transferring portion". These recitations should agree in either the plural or singular.

Claims 7-10 are rejoined because they include all the structure of allowable claim 1.

Nakashiba '487, Furumiya '081 and Uchiya '717 are relevant art, however, they do not teach or fairly suggest the end portion extensions claimed.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
